Live Training Sessions:
August 4 – August 28

Part I: Mock Training Review (July 6 – August 3)
Participants will be given access to a password protected portal where they will have four weeks to go through the standard training at their own pace. This will allow participants to experience the MHT-JJ training and will prepare them to engage with the curriculum as both a trainer and participant during the train-the-trainer session (Part II).

The virtual mock training was designed to mirror the in-person training experience. Each module has interactivity built throughout including quizzes and discussion questions to encourage engagement. NCYOJ will verify participation by reviewing all responses for completeness. Participants are required to complete the mock training in its entirety.

Weeks 1-4 (July 6 – August 3) will consist of the following:

I. Welcome to the Virtual T3
